Dear Power Player,

Thanks for renewing your membership! Being a Nintendo Power Super Power Club member is better than ever. This is definitely where the best belong!

Think about it. You'll keep getting great exclusive benefits, plus a whole lot more. The magazines, the trading cards, the money-saving Power Certificates, a FREE system cleaning, the members-only January bonus issue and now, the Super Power Supplies Catalog.

Now your Super Power Stamps are going to really start adding up! And you'll be able to get some incredible gear practically FREE! Because, the more you're into the Club, the more you can get out of it. Check Nintendo Power magazine each month to find out how to score Super Power Stamps by getting a friend to join the Club, buying a friend a gift membership, entering special contests, renewing your membership and even more ways in the future. What more could you want? Let us know.

We're serious. Tell us what you want and what you expect from the Club. Drop us a line. Send us your best scores. What are your favorite games? What do you like most about being a member? We really want to hear from you.

You just made a great move by renewing. So get ready to enjoy your NINTENDO POWER SUPER POWER CLUB MEMBERSHIP. It keeps getting better and better just for you!
